

## Welcome to *dog e-Races* 2011!

### **Schedule:**

This year, we will be running a single ring.

**On Friday**, Pawdemonium will be at our venue, [Evergreen Valley College](#) in San Jose, CA. Teams are welcome to set-up any time after 3:00pm. Please note: The campus police work until about 10:00pm on Friday, Saturday and Sunday, after that there will be no security. Although we have never had issues, Pawdemonium will not be responsible for any items left at the venue.

**Reminder:** Alcohol is not allowed and no BBQs directly on the grass.

### **Saturday—Hospitality (Coffee, tea, fruit)**

- 7:30am Check-in and Measuring
- 8:00am Box Check
- 8:15am Captain's Meeting
- 8:30am Race #1 starts

**LUNCH SPECIAL:** Don't feel like bagging it?...our local Cub Scout troop (with sons of Paw Flyballer Anna Marie Kirkham) will be selling grilled hot dogs and hamburgers with all the trimmings and a drink for \$5.00 each. Be on the lookout for a Scout taking pre-lunch orders.

### **Sunday —Hospitality (Coffee, tea, fruit)**

- 7:00am Check-in and Measuring
- 7:30am Box Check
- 8:00am Race #1 starts

There is no plan for a captain's meeting on Sunday unless otherwise announced at Saturday awards.

**Volunteers:** We believe we will have enough volunteers so that racing participants are not expected to fill in. However, if we do find we have an empty chair, we would appreciate your cooperation.

**RACING:** This year our Sunday Special Division will be "**Who's on First.**" For each heat in a race, a different dog must have a turn as start dog.

THANK YOU! This year, all clubs registered using our on-line **e-entry registration**. We continue to make improvements and would welcome your feedback.

We look forward to hosting everyone on June 4 and 5.
